Q. FIXED-TERM PARLIAMENTS... Do you agree with fixed-term parliaments or do you oppose them?

I do not support fixed-terms (there are pros and cons, but there are other reforms that should take precedence)

Q. FREE VOTES... Do you think that there should be fewer, more or roughly the same number of free votes (votes not subject to party whip) in Parliament?

I would like considerably more free votes

I am undecided

Q. OPEN PRIMARIES... Do you agree with open primaries for candidate selection or do you oppose them?

I am undecided

Q. VOTING AGE... Do you think that the voting age should remain at 18 or should it be lowered to 16?

I believe the voting age should be lowered to 16, but I have doubts about how much improvement it will bring

Q. RECALLING MPS... Are you open to the idea of having a mechanism whereby constituents can vote on the recall of their MP in instances of "serious wrongdoing" or do you oppose having such a mechanism to recall MPs?

I am open to the idea of having a mechanism to recall MPs

I support a House of Lords/second chamber with the majority of members being elected but with some additional expert appointees
